

DOUG ADAMS STADIUM BRICK BY BRICK

WHAT IS THE "BRICK BY BRICK" PROJECT?

To help fund Phase II of the Doug Adams Stadium renovation project, members of the community can purchase a dedicated brick to be installed at the entrance to Doug Adams Stadium.

For a one-time donation of \$250, the donor name will be placed on a decorative paver to be placed in the entrance walkway.

HOW WILL THIS WORK?

Decorative brick pavers will be integrated into the entry of Doug Adams Stadium.

Pavers may be engraved with up to three (3) lines of text (only). Max: 18 characters per line, including spaces.

Suggested wording could include: Donated by the Smith Family -OR- In Honor of [NAME].

Xenia Community Schools reserves the right to amend printing requests that do not meet our community standards.

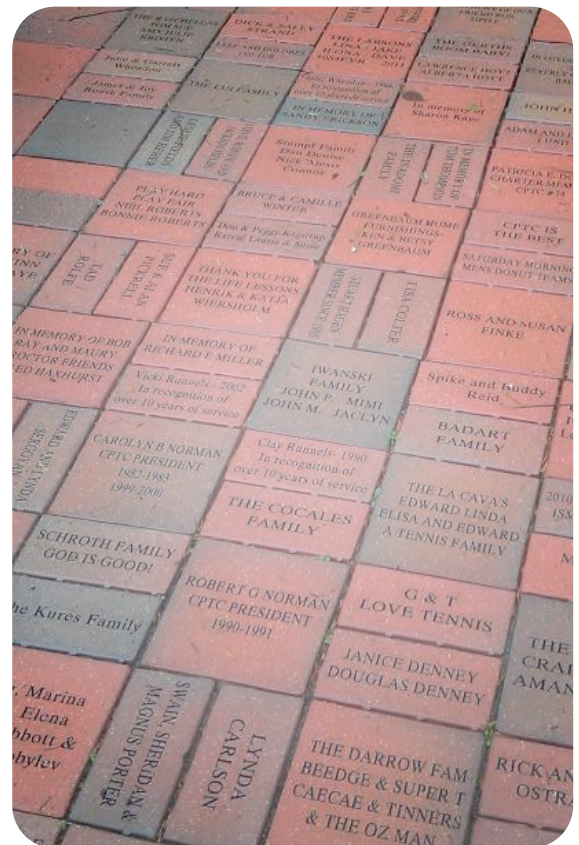

I'M IN! WHAT DO I DO TO PURCHASE A BRICK?

All donations for the DAS renovation project can be made online or by mail through Greene Giving: greenegiving.ejoinme.org/donation

For online donations, be sure to choose "Specific Account/Charity" as the donation type, and then specify that your donation is for the Doug Adams Stadium Bricks Project. Donations for #brickbybrick must be received before the installation deadline.

Donations may also be mailed to: The Greene County Community Foundation (Greene Giving) at 941 W Second St, Xenia, OH 45385.

Note that this is a representative photo only, and brick pavers have not been selected or ordered. The color, size, style and placement of your brick may vary.
