

COLLEGE CREDIT PLUS

College Credit Plus (CC+) is a program that provides students an opportunity in grades 7-12 to be enrolled in both high school and college course work at the same time. The purpose of this program is to promote rigorous educational pursuits and to provide a wide variety of educational options to students in grades 7-12.

The state of Ohio requires that each high school conduct an informational meeting for families interested in taking advantage of this opportunity. The Letter of Intent is required to be turned in to the High School Counselor's by April 1st in order to be considered for the CCP+ program next school year.
